

NAHCR has created an outstanding educational program for the 38th IMAGE Conference on July 24-27, 2012 in Indianapolis, Indiana. The program agenda has amazing keynote speakers, seven general sessions and 22 concurrent sessions on industry best practices, workforce development, legal issues, social media and much more. Plan to attend this year's conference and **Win the Race with NAHCR!**

Opening Keynote Speaker

Chip Madera, MS, CSP

The Speaker with a Heart of BOLD!

Chip Madera, MS, CSP, is a high-energy, high-content motivational speaker with a heart of BOLD! He is known as the Leadership Lion and he specializes in developing courageous leaders who can accelerate business results and increase employee engagement and performance. He is one of America's premiere business speakers and experts on Courageous Leadership, Thriving in Change and Creating Environments of World-Class Excellence!

He will help you get better, and stop getting by!

Here's what separates Chip from the rest:

Refreshing ways of thinking about your business. Innovation and creativity are stifled when leaders get entrenched in status quo thinking. Chip will help attendees gain insightful perspective while taking responsibility and ownership of company directives.

Action-oriented content that creates sustainable

performance. Higher performance is expected but consistent performance is what creates ongoing success.

Creating the organizational culture you envision. Every world-class organization has a strong culture defined by excellence, engagement and pride. Chip will give you the transformational tools to help you recruit and retain top talent and become the employer and provider of choice within your industry.

Closing Keynote Speaker

Jo Manion, PhD

Jo Manion, PhD, is a nationally recognized speaker, author and senior management consultant who offers organizations an impressive breadth of experience combined with practical and creative approaches to organizational and professional issues.

Dr. Manion's dynamic presentation style, combined with a practical, down-to-earth approach to issues, results in ideas you can take back and begin applying immediately. Her focus is on creating positive workplace environments with high-impact retention strategies.

Her most recent books are *The Engaged Workforce: Proven Strategies to Build a Positive Health Care Workplace*, which was released in 2009, and in April 2011, the third edition of her book *From Management to Leadership: Strategies for Transforming Health Care* was released.

Much more details will be coming soon so get this event marked on your calendar and get ready to...
